NEED HELP WITH YOUR ASSIGNMENT WRITING?

CENTRE FOR LEARNER SUCCESS (PREVIOUSLY
NATIONAL CENTRE FOR TEACHING AND LEARNING)

THE PRE-READING SERVICE CAN HELP YOU

- **Why?** Get tips, suggestions and assistance with academic writing before your marker sees your assignment – click here for more detailed information.
- **What?** An online pre-marking assignment review service that offers you written feedback on structure, focus, academic style, use of sources, and referencing.
- **How often?** See Stream for details.
- **Where?** Submit assignments through the Academic Writing and Learning Support Stream site.
- **When?** Submit at any time throughout the semester, but make sure it is at least three working days before your assignment is due.

>> We do not read through an assignment and correct all mistakes and cannot guarantee that an assignment will be free from mistakes.

>> We work with you so you can correct your own work and enhance your study skills.
